

## Boy & Girl Scouts – Center Tour Request Form

**This form must be completed at least 60 days prior to the date requested for the associated event. If the form is not completed in its entirety, we will be unable to review and approve the request.**

Interested in earning your MedExpress First Aid Patch? Troops can now visit their local MedExpress to do so. The visit begins with a center tour in which troops will meet and learn more about careers in the medical field and how urgent care works. Troops will also learn about first aid and make their very own first aid kit to take home, along with their MedExpress First Aid Patch. Each visit is approximately 30 minutes and is dependent upon staff availability and proximity to MedExpress centers.

To request a visit, please complete the information below and send to [communityconnections@medexpress.com](mailto:communityconnections@medexpress.com).
