This information is not intended to replace the advice of a physician. It is information that is generally available. Each person has unique medical needs based on several factors including age, genetics, body type and build, medications, exposures to illness and medical history, to name a few. Always seek the advice of a physician or other qualified healthcare provider prior to beginning an exercise program, making dietary changes, or with any questions you may have regarding a medical condition that you are experiencing. If you are suffering from a non-emergent medical situation, it is suggested that you visit the nearest MedExpress center or your family physician. If you believe you are experiencing a medical emergency, call 911.

Urgent Care MSO, LLC ("MSO") is a management services provider for physician-owned and other urgent care, walk-in, and on-site centers operated in multiple states as "MedExpress" (hereinafter "Private Office Practice"). The Private Office Practice has complete authority with regards to all medical decision-making and patient care. MSO shall, in no way, determine or set the methods, standards, or conduct of the practice of medicine or healthcare provided at, or by, or through any Private Office Practice, or by any of its professionals. MSO provides consultation services and offers recommendations through its Chief Medical Officer for the Private Office Practice to consider, reject, revise, and/or adopt as it deems fit.
